Dear Ms. Dailey:

REQUEST FOR EXTENSION OF TITLE V PERMIT APPLICATION SUBMISSION DATE

Please be advised that in accordance with OAC rule 3745-77-04(B)(4), the FEMP requests, on behalf of U. S. Department of Energy, a 90-day extension to file their Title V permit application until February 27, 1996. Since the electronic Title V application system, STARShip, will not be available until-late September, this extension of time is necessary to complete the Title V application. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "Terence D. Hagen". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
